

Academy Development Priorities 2025-2026

Priority 1 - **Quality of Education** - To further strengthen phonics, early reading and reading across school in order to improve outcomes

Priority 2 - **Quality of Education** – To further secure exceptional teaching across the academy that impacts positively on all children’s learning and progress but particularly the progress of the most vulnerable children

Priority 3 - **Quality of Education** – To refine the curriculum design so that it is highly effective and enables the most vulnerable children to make good or better progress in each subject area

Priority 4 - **Quality of Education** – To refine the curriculum, provision and proactive in Early Year so that all children have access to a high quality, enabling learning environment which enables all children to thrive and positively impacts on increasing the number of children achieving and exceeding end of year expectations

Priority 5 – **Attendance** – To further approve attendance across the academy and reduced the number of persistence absentees
